

# PREPARING YOUNG LEADERS OF TOMORROW

The FBI National Academy Associates supports the young leaders of tomorrow through the Youth Leadership Program (YLP). YLP is designed to offer lifelong enrichment opportunities in support of exceptional young leader's drive for knowledge and their desire to make a difference in the world. The vision of YLP is to develop an influential community of socially conscious and service-minded leaders, connected through association who positively shape the world.

The Youth Leadership Program is made possible and hosted by the FBI National Academy Associates, Inc., a non-profit law enforcement leadership network. This program focuses on 8 days of intensive instruction for 60 participants (ages 14-16). The program is run by a cadre of law enforcement training instructors. Students must have demonstrated high academic standards and good citizenship to be nominated for this program. Extensive coursework and classroom instruction focus on issues faced by the youth of today and provides tools that can enhance their individual core talents. Each year, students represent over 40 U.S. states and 4 international countries. The class is usually split 50% male/female ratio, representing a diverse student population. The Youth Leadership Program is offered to the students at no charge.
